Submission of projects

www.caixaimpulse.com

The screenshot shows the Caixa Impulse website interface. At the top, there are logos for "la Caixa" Foundation, Caixa impulse, and Caixa Capital Risk. A navigation bar includes links for Home, Programme & Call, Projects, Community, News & Events, Apply, and a Search bar. Below the navigation bar, a tabbed interface shows "Overview", "Call for projects" (selected), "Selected projects", and "Previous editions". The main content area features a large banner for "Submissions deadline: 2 May 2018" with a blue background and a pattern of small circles. It states "CaixaImpulse is aimed at researchers from:" and lists three categories: Universities (represented by a classical building icon), Hospitals (represented by a cross and microscope icon), and Non-Governmental Organizations (represented by a flask and test tubes icon). Below this, it says "in the fields of Healthcare and Life Sciences, interested in transferring research assets from the lab to society and the market". At the bottom, there is a footer with links: Requirements, Rules for participation, How do I apply, Selection process, Selection criteria, Calendar, and FAQs. A blue arrow points from the "Call for projects" tab to the right, indicating the next step in the process.

Private area for calls

[More information about the calls](#)

In the private area you can **start and manage applications** for calls you are interested in and also upload the necessary documentation.

You will need a username and password.

[Request authorisation](#)

Access for applicants
