

COVID-19 | Recursos em Acesso Livre

Point-of-Care Summaries

DynaMed:

- [COVID-19 \(Novel Coronavirus\)](#)
- [COVID-19 and Special Populations](#)
- [COVID-19 and Cancer Patients](#)
- [COVID-19 and Pregnant Patients](#)
- [COVID-19 and Patients with Chronic Kidney Disease \(CKD\) and End-stage Renal Disease \(ESRD\)](#)

UpToDate:

- [Coronavirus disease 2019 \(COVID-19\) \(patient education and society guidelines\)](#)
- [Acute respiratory distress syndrome: Clinical features, diagnosis, and complications in adults](#)
- [Acute respiratory distress syndrome: Supportive care and oxygenation in adults](#)
- [Acute respiratory distress syndrome: Epidemiology, pathophysiology, pathology, and etiology in adults](#)
- [Ventilator management strategies for adults with acute respiratory distress syndrome](#)
- [Prone ventilation for adult patients with acute respiratory distress syndrome](#)

Cochrane Coronavirus (COVID-19):

- [Coronavirus \(COVID-19\): evidence relevant to critical care](#)
- [Coronavirus \(COVID-19\): infection control and prevention measures](#)
- [Quarantine alone or in combination with other public health measures to control COVID-19: a rapid review](#)
- [Coronavirus \(COVID-19\): effective options for quitting smoking during the pandemic](#)
- [Coronavirus \(COVID-19\) - Cochrane resources and news](#)

Elsevier Covid-19 Healthcare Hub:

- [Community Care](#)
- [Ambulatory Care](#)
- [Emergency Care](#)
- [Inpatient Care](#)
- [ICU Clinical guidelines and education](#)

EvidenceAid:

- [Summaries of relevant research drawing on the Cochrane Special Collections and other systematic reviews](#)

Research

LitCovid:

- [Curated literature hub for tracking up-to-date scientific information about the 2019 novel Coronavirus](#)

(CORD-19):

- [COVID-19 Open Research Dataset](#)

medRxiv and bioRxiv:

- [COVID-19 SARS-CoV-2 preprints from medRxiv and bioRxiv](#)

ECDC - European Centre for Disease Prevention and Control:

- [Epidemiological update van COVID-19](#)

Zenodo:

- [Coronavirus Disease Research Community - COVID-19](#)

NHI - National Institutes of Health:

- [The latest research information from NIH](#)

NIH genetic sequence database:

- [SARS-CoV-2 GenBank data](#)

ClinicalTrials.gov:

- [Listed clinical studies related to the coronavirus disease \(COVID-19\)](#)

Medical Education and Training

RSNA - Radiological Society of North America:

- [Special Focus Covid-19](#)
- [Coronavirus Cases and Images](#)

BodyInteract:

- [How to diagnose and treat covid19 suspicious case](#) (2 scenarios)

+Osler:

- [Osler's Learning Center](#)

ClinicalKey Medical Education *(only VPN FMUL)*

- [Transforming Learning into Knowledge](#)

The Coronavirus e-learning programme:

- [Quality-assured content from Health Education England e-Learning for Healthcare, NHS England and NHS Improvement, and the World Health Organization \(WHO\)](#)

Covid Reference - The new mini-textbook:

- [English and Portuguese Edition](#)

Other Relevant Information Resources

B-on:

- [Covid-19 Open Access contents](#)

Cochrane Portugal:

- [SARS-CoV-2 | NEWSLETTERS](#)

BMJ:

- [Coronavirus: Latest news and resources](#)

JAMA:

- [Updates on COVID-19 diagnosis and treatment](#)

The Lancet:

- [Coronavirus Resource Centre](#)

NEJM:

- [Coronavirus \(Covid-19\) outbreak - clinical reports, management guidelines, and commentary](#)

Oxford:

- [COVID-19 Evidence Service](#)

Wiley Online Library:

- [Novel Coronavirus Outbreak](#)

Public Health England:

- [Finding the evidence: Coronavirus](#)

Worldometer:

- [Wuhan Coronavirus Outbreak – updated statistic](#)

World Health Organization:

- [Coronavirus disease \(COVID-19\) Pandemic](#)

CDC - Centers for Disease Control and Prevention:

- [Coronavirus \(COVID-19\)](#)

DGS – Direção Geral da Saúde:

- [Covid-10](#)

Infarmed:

- [Não paramos estamos ON](#)

EMA – European Medicines Agency:

- [Guidance on regulatory requirements in the context of the COVID-19 pandemic](#)
- [Coronavirus disease \(COVID-19\) – updates](#)
