

## Programa doutoral do centro académico de medicina de lisboa

### THESIS COMMITTEE REPORT – 1<sup>st</sup> year

Student's name

PhD start date: \_\_\_\_/\_\_\_\_/\_\_\_\_

Present date: \_\_\_\_/\_\_\_\_/\_\_\_\_

- |  | Yes | No |
|--|-----|----|
| 1 – Does the student show up-to-date scientific knowledge on the area he/she is working (eg. paper reading)?                                     |     |    |
| 2 – Is the research project running according to the initial proposal?   |     |    |
| 3 – Are the techniques used adequate to answer the scientific questions?   |     |    |
| 4 – Does the student show a good time management?  |     |    |
| 5 – Are the future plans realistic and pertinent?  |     |    |
| 6 – Does the student show good presentation and communications skills?   |     |    |
| 7 – Does the student discuss and or present his/her work regularly (eg. Meetings with supervisor; lab meetings)                                  |     |    |
| 8 – Do you recommend any specific training for the student?  |     |    |
| 9 – Do you recommend an extra meeting with the student ( <i>Besides the ordinary meeting scheduled for the end of the 3<sup>rd</sup> year</i> )? |     |    |

Suggestions and comments for the future \*

Thesis Committee

--	--	--

I confirm my presence in this meeting and had knowledge of the results and assessment of the Thesis Committee
