

Master in Cognitive Science

2024/2025

Applications, Phases 1 and 2

The Master Program in Cognitive Science of the University of Lisbon has as its primary goal the training of a new generation of experts who can combine its various disciplines into an integrated science of cognition, mind and brain, as well as explore the application of the knowledge generated in this domain. To fulfil this goal, the program counts on the contribution of professors and researchers from Neuroscience (Faculty of Medicine), Cognitive Psychology (Faculty of Psychology), Computer Science (Faculty of Sciences), Linguistics (Faculty of Letters), and Philosophy of Mind and Cognition (Faculty of Letters).

1. Number of vacancies

25 vacancies

2. Admission requirements:

Admissible candidates are:

- a) Candidates holding a Portuguese bachelor degree or equivalent.
- b) Candidates holding a foreign bachelor degree granted by a State adhering to the Bologna equivalence principles.
- c) Candidates holding a foreign bachelor degree that the Scientific Committee of the program will consider as satisfying the goals of a bachelor degree.

3. Admission procedure

3.1 The application must be submitted online at the applications platform of the Faculty of Medicine of the University of Lisbon <https://fenix.medicina.ulisboa.pt/>

3.2 The application must include the following items:

- a) Documents certifying that the applicant meets the admission requirements mentioned above;
- b) *Curriculum vitae*, which, under penalty of exclusion in case this requirement is not met, must explicitly indicate the final average of the scores, as well as the
